

Caratteristiche / Characteristics / Caractéristiques

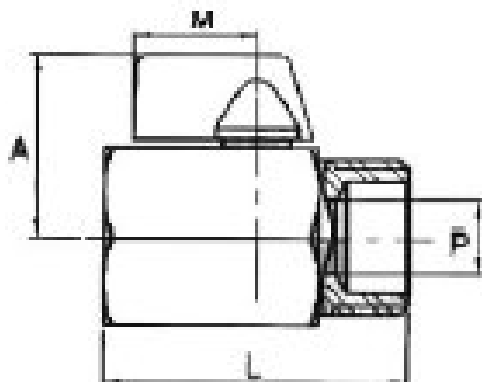

Materiale / Material / Matériel : INOX AISI 316 (1.4401)

Filettatura / Thread / filetage: UNI EN 10226-1

Certificato / Certificate / Certificat: EN 10204 3.1

Temperatura di lavoro / Working temperature / Température de travail: $-10^{\circ} \div +150^{\circ}$

Pressione massima nominale / Nominal maximum pressure / Pression nominale maximale: 63 bar

| Codice / Code | Ø | DN | A [mm] | L [mm] | M [mm] | P [mm] |
|---------------|------|----|--------|--------|--------|--------|
